

SCORING DEDUCTIONS FOR READING AND INTERNET

2.5 points will be deducted from each assignment for each day that it is turned in late (standard 10% deduction policy)

Be sure to fill out a cover sheet (available from the website) completely and attach it to the front of your submissions.

Reading

If selection is too short (extremely difficult material may be fewer than twenty pages if discussed with teacher), 1 point may be deducted per page short of the suggested 20 pages.

If the written submission is too short (the expectation is approximately 250 words) 3 points will be deducted.

If the written submission does not convince me that you understood what you read, up to 5 points will be deducted.

Internet

If the URL is not written out clearly and completely on the cover sheet (I should be able to use your URL as written to go to the same site you went to), 3 points will be deducted.

If the printout of a screen is missing, 6 points will be deducted.

If your own comments on the site are not written, 6 points will be deducted.

If the relevance of the site to your course is not discernible, up to 5 points will be deducted.
